

2024 LEGISLATIVE ADVOCACY DAY

Wednesday, May 22, 2024 - 9:30am to 4:30pm

Michigan State Capitol Building

In these challenging times, just protesting is not enough. Civil rights advocacy requires more robust engagement in public policy than ever before. Help us speak with a more powerful political voice and channel resources more effectively by joining us in Lansing for a full day of civil rights, public policy, voting rights and election legislative updates, with a rally on the capitol steps and much more. **For additional information, please contact the NAACP at (313) 835-9671 or Divine Nine at (248) 790-5620**
