Position Title:Experienced Fleet Technician -CDL A Permit

Job Description:

[CLICK HERE](#) to view our Fleet Technician Job Preview Video

Position performs diagnostic and repair work, including scheduled preventative maintenance and necessary repairs to automobiles, trucks (light, medium, and heavy commercial/DOT-regulated vehicles), vans and forklifts. Position works with a high degree of independence. Position also requires a number of physical movements including lifting, pinching, bending, reaching, climbing, and manipulating and handling objects. This position requires that you have your own basic hand tools diagnostic, ergonomic, and high-tech equipment will be provided. Due to the scope and variety of Pepsi's fleet, our department includes a variety of positions and job opportunities, ranging from entry-level to master technicians 3-5 years of relevant work experience are required for this experienced-level position. We provide extensive training and continuous education to continue your career development.

PRIMARY ACCOUNTABILITIES:

- Diagnose failures of vehicles and disassemble, repair and reassemble parts as necessary
- Computer-based diagnostics interface with modern truck interfaces
- Basic computer use (email and web browser)
- Adherence to DOT regulations
- Perform preventative maintenance on vehicles
- Answer road calls
- Maintain vehicle records as required
- Maintain and repair fleet equipment
- Fill out all necessary documents
- Maintain records such as daily check list (pre-trip inspection)

Requirements:

BASIC QUALIFICATIONS:

- Commercial Driver's License: CDL Permit or Class A CDL or ability to obtain Class A CDL [90 days] post-hire
- Able to lift up to 50 pounds (with or without an accommodation)
- Able to reach, lift, carry, push and pull (with or without an accommodation)
- Able to speak English

HELPFUL EXPERIENCE:

- Previous experience working under limited supervision (performing work on your own, working remotely from direct supervisor)
- Previous experience working outdoors (making road calls, responding to breakdowns, working in outside parking lots)
- Previous experience maintaining manufacturing standards (up to date with the latest technology, experience with electronics, etc.)
- Previous experience driving trucks requiring a Class A or B CDL (e.g., road testing trucks, moving trucks in and out of shop)
- Previous experience with shift work (being on-call, 24/7 availability, 2nd/3rd shift work, flexible work weeks)
- Previous experience with heavy truck repair (tractor-trailers, brakes, tires, engines, 10 bays to 18 wheelers)
- Previous experience with light truck repair (trucks, vans, support vehicles)
- Previous experience using shop tools (engine hoists, welding, changing tires, small tools)
